On October 3, 2019, at approximately 8:55 pm, a Border Patrol Agent was working the primary inspection area when a Silver Nissan Versa bearing Texas plates LCC 6519 entered the checkpoint lane for inspection. The Border Patrol agent greeted the two front passengers of the vehicle and identified himself as a United States Border Patrol Agent. The driver of the vehicle later identified as Edith HERNANDEZ stated she and all the occupants of the vehicle were all United States Citizens. The Border Patrol Agent then noticed the three male passengers in the back seat looking straight forward. After several attempts, the Border Patrol Agent asked the two front female passengers for an identification and directed them to secondary area for an immigration inspection of the occupants.

At the secondary area, the Border Patrol Agent asked in the Spanish language the three passengers that were sitting in the back seat of the vehicle if they had any immigration documents allowing them to be or remain the country legally.
